

## Lenovo L24m-40 Monitor

# A hybrid monitor for a hybrid you!

Experience flexibility like never before.

The Lenovo L24m-40 Monitor is the foundation of your new and hybrid lifestyle needs. Its 23.8-inch In-Plane Switching panel's wide-viewing angle and FHD resolution let you experience work and entertainment with clarity and consistency. Together, the 99% sRGB color gamut and the 110% sRGB color area ensure great color reproduction, offering an unparalleled viewing experience. This snappy display sports a 100 Hz<sup>1</sup> refresh rate and 4ms response time<sup>2</sup> which ensure that you're always a step ahead with dynamic content. In-built Natural Low Blue Light technology allows you to work without straining your eyes by reducing harmful blue light while keeping the colors on the display from getting distorted. As you lean into entertainment mode, the 2 x 3W speakers transport you right to the heart of the action whether you are watching movies or listening to music. The USB-C<sup>3</sup> port ensures that you get up to 75W (Smart Power)<sup>4</sup> of power delivery<sup>4</sup> with a USB hub for diverse connectivity while also steadily supporting the LC50 Webcam<sup>5</sup>. A smart cable management system provides a neat and tidy environment while the phone holder keeps your phone in view. Stay connected with other devices with the monitor's HDMI 1.4 port, and expand your audio experience with the audio out port which lets you plug in speakers or headphones. Its LTPS (Lift, Tilt, Pivot, Swivel) stand affords more comfort as the monitor can be adjusted to meet your ideal working posture. The Lenovo L24m-40 Monitor gives you unfettered flexibility with superior efficiency.

## Features of Lenovo L24m-40 Monitor

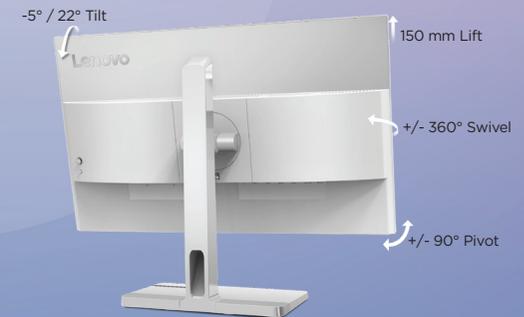

### Delightfully vivid

The Lenovo L24m-40 Monitor's 23.8-inch In-Plane Switching display is packed with an FHD resolution (1920 x 1080 screen, enhancing your viewing experience while you work or enjoy entertainment. Its 100 Hz<sup>1</sup> refresh rate and 4ms response time<sup>2</sup> make it fast and dynamic. The Natural Low Blue Light technology protects your eyes from harmful blue light without any color distortion. With a 110% sRGB color area and a 99% sRGB color gamut, you'll enjoy colors that are truly vivid.

### A true all-rounder

Be unstoppable with the Lenovo L24m-40 Monitor's USB-C<sup>3</sup> cable which delivers efficient and dynamic power of up to 75W (Smart Power). Immerse yourself into crystal-clear visuals and impactful audio for every occasion with the audio-out port that connects you to headphones or speakers. When it comes to productivity, this monitor is an all-rounder with a USB hub that ensures diverse network connections and steady support for the LC50 Webcam<sup>5</sup>.

### A step ahead in style

The Lenovo L24m-40 Monitor's LTPS stand puts your comfort at the forefront, so you can lift, tilt, pivot or swivel it to meet your most comfortable working posture. With an on-point cable management system, you get a clean environment to work in and manage your space the way you like. The phone holder on the monitor stand makes more room on your desk for additional devices while also keeping your phone in view and out of the way.
