Lenovo X9 Charging GaN Dock

Seamless power. Anywhere you go.

The Lenovo X9 Charging GaN Dock combines the best of both worlds—power and connectivity—all in a single, elegant device. Designed for Lenovo PC users who need seamless performance on the go or at the desk, this dock integrates flawlessly with ThinkPad X9 series, boasting perfect compatibility and a sleek, iconic look.

Why you need the Lenovo X9 Charging GaN Dock

Powered by GaN

Equipped with the latest GaN technology, this dock functions as both a power adapter and a portable dock. Its compact design enhances power efficiency and reduces size, making it an essential tool for your daily life.

Complete connectivity

This portable dock includes three USB ports, a card reader, and 4K @ 60 Hz display port connectivity—offering all the essential ports in one streamlined package.

Sustainable by design

The dock's body is made from 90% post-consumer recycled materials and comes packaged in Lenovo's plastic-free, FSC-certified packaging. It truly is a product designed for a sustainable future.
