This holder is the perfect choice when you want to have your device securely locked in place and still easy accessible. The holder is made of extra strong plastic and is equipped with a lock. In order to remove the device from the holder you need a key (two keys are included). Attach the holder to any flat surface or a Pedestal Mount in a truck, distribution vehicle, warehouse etc. You have full access to the camera and all buttons and outlets when the device is in the holder. Made of high grade ABS/Acetal plastic. Color: black. Made in Sweden.

Devices should not be installed onto a vehicle's dashboard if blocking the view or key controls. An installation of a device in a vehicle is always done on the customer's own responsibility.
